

CCTT TRAINING FOR FLUKE NETWORKS IN AUSTRALIA AND NEW ZEALAND

JB Hunter is pleased to announce their appointment as the official training partner to deliver Fluke Networks' popular Certified Cable Test Technician (CCTT) course in Australia and New Zealand.

JB Hunter Technology has invested in a certified trainer who has been approved and trained by Fluke Networks to deliver the popular two day CCTT course. The comprehensive course teaches students how to use the latest Versiv structured cabling test products correctly to certify copper and fibre optic install.

COST

\$1080.00 AUD
