

ICT30519 - CERTIFICATE III IN TELECOMMUNICATIONS TECHNOLOGY

Trade Level Qualification

Includes Open Cabler Registration Training*

Hands On, Skill Based Delivery

The ICT30519 Certificate III in Telecommunications Technology is a trade level qualification for those working in the telecommunications industry. This program covers a broad range of telecommunications skills and provides a solid base for workers undertaking jobs selecting, installing and configuring equipment in convergent technology networks.

Successful participants will have an understanding of optical, copper and coaxial cabling. They will understand the regulatory requirements around telecommunications work and be provided with the opportunity to practice their skills in a simulated environment.

**To obtain your Open Cabler Registration, you must also complete 360 industry based cabling hours and apply via an ACMA approved registrar.*

DURATION

This course is delivered over a 12 - 24 month period

COMMENCEMENT

Classes run regularly with start times flexible. Refer to our website for schedule of upcoming training at www.jbhunter.edu.au

LOCATION

QLD: Brisbane (Brendale)

COST

This qualification is subsidised by the Queensland Government's Certificate 3 Guarantee Program. **See breakdown on next page.**

HOW TO APPLY

Contact our training advisors on 1800 672 933 to discuss eligibility

OUTCOME

ICT30519 Certificate III in Telecommunications Technology will be issued on successful completion

ICT30519 - CERTIFICATE III IN TELECOMMUNICATIONS TECHNOLOGY

Pre-requisites

All pre-requisite units are covered in the training being delivered.

Other Entry Requirements

Students will be required to undertake an initial skills assessment, comprising of a Language, Literacy and Numeracy (LLN) assessment prior to course commencement to assess their readiness for Cert III training. If you have a colour vision deficiency, please advise the student support team to discuss any barriers to completing this training.

Delivery

This program is available via face to face delivery with some online learning content.

Certificate 3 Guarantee Eligibility

To be eligible to participate, you must be:

- A Queensland resident
- Be aged 15 years or over and no longer at school
- Be an Australian or New Zealand citizen or Australian permanent resident, or a temporary resident with the necessary visa and work permits on the pathway to permanent residency
- Not hold, or be enrolled in a certificate III or higher qualification

Accreditation

Core units

ICTWHS204	Follow work health and safety and environmental policy and procedures
ICTTEN208	Use electrical skills when working with telecommunications networks
ICTTEN202	Use hand and power tools
ICTTEN317	Locate, identify and rectify telecommunications network faults
ICTWOR308	Provide customer service to telecommunications customers
ICTTEN315	Determine and apply technologies within a telecommunications system

Open Registration

ICTCBL246	Install, maintain and modify customer premises communications cabling: ACMA Restricted Rule
ICTCBL247	Install, maintain and modify customer premises communications cabling: ACMA Open Rule

Cabling Endorsements

ICTCBL301	Install, terminate and certify structured cabling installation
ICTCBL322	Install, test and terminate optical fibre cable on customer premises
ICTTEN318	Inspect, clean and handle optical fibre cable and connectors
ICTCBL303	Install and terminate coaxial cable

Other Electives

ICTCBL323	Test cables and systems on customer premises
ICTWOR305	Supervise worksite activities
ICTTEN207	Install and test internet protocol devices in convergence networks
ICTTEN312	Install telecommunications network equipment

Student Contribution Fee

Student Contribution Fees are a student's contribution to the cost of their own training. Student Contribution Fees will be charged to eligible students in accordance with the Certificate 3 Guarantee (C3G) Policy.

NON-CONCESSIONAL

The Non-concessional Student Contribution Fee is calculated at \$2 per unit of competency. The total Non-concessional Student Contribution Fee for:

- ICT30519 Certificate III in Telecommunications Technology is \$32.00 (16 units at \$2 per unit)

CONCESSIONAL

For eligible students, the Concessional Student Contribution Fee is calculated at 50c per unit of competency.

- ICT30519 Certificate III in Telecommunications Technology is \$8.00 (16 units at 50c per unit)
